Aquatec Solutions deliver a complete range of high efficient fibreglass cones.

Our cones can operate with up to 1,5 bar in working pressure.

Higher pressure capacity is available on request.

For further information please contact Aquatec Solutions A/S

Facts

- High absorption efficiency
- Simple and reliable construction
- Low maintenance cost
- Flexible installation

Benefit

- Precise distribution of oxygen in tanks
- Low oxygen usage per kg fish production
- Easy after installation with upgrades
